

As Old As Met Whose Allah

As old as he who is " MET WHOSE ALLAH " ?

Living in Fir house in a village close to Tallaght !

So do you choose Beelzebub or Jesus as your ally !

The choice will decide to whom you really rally !

But now my inspiration the chalice has been filled,

What if your human dreams have not been really thrilled,

Will you begin again and not forget the frills,

Who in life can really say he Heavenly fulfils ?

The answer is quite simple, Jesus Is his name ,

The quest for life on earth, or Heaven is your Game !

Are fallen angels , trying to lay the blame !

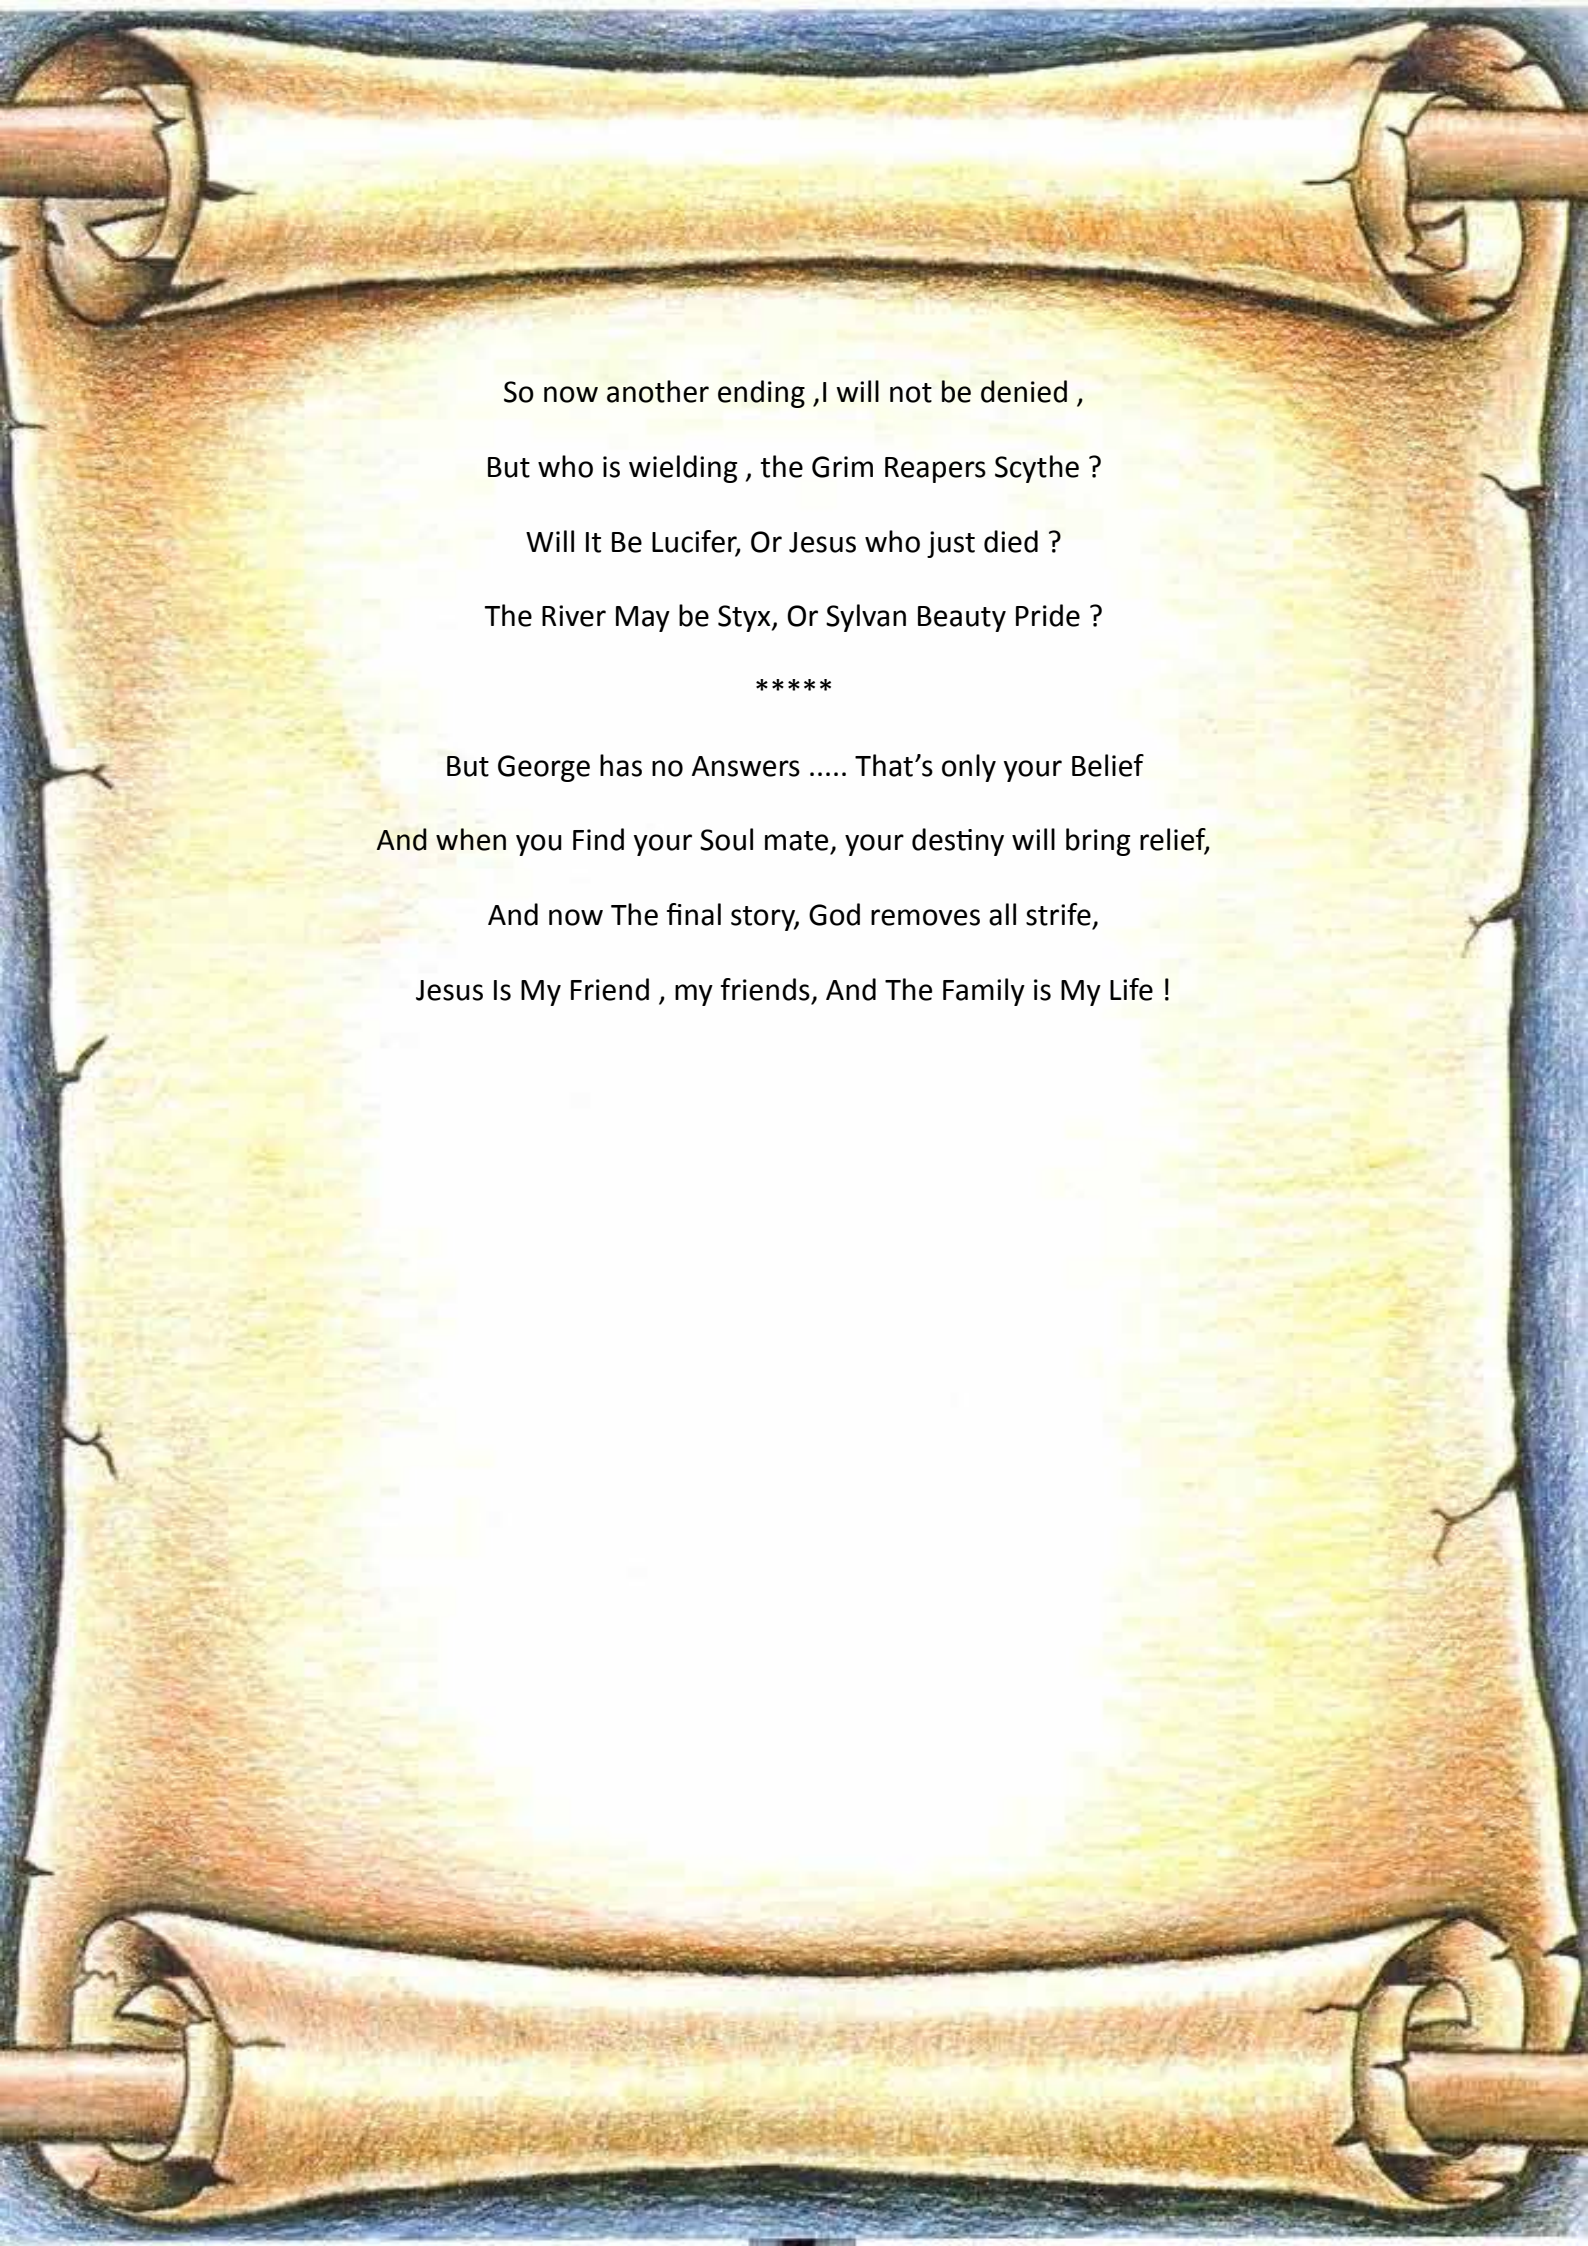

Are we trying to treat the opposites both the polarised same ?

Enjoying Life is wonderful, you have just one shot !

But then again my friends maybe just quite not,

The Journey is a challenge, I hope it is not hot !

Because Beelzebub is waiting for those who lost THE PLOT !

A scroll of parchment with text on it. The scroll is unrolled, showing a central rectangular area of text. The parchment is yellowed and has some cracks. The scroll is held by four wooden rollers, one at each corner. The background is a dark blue, textured surface.

So now another ending ,I will not be denied ,
But who is wielding , the Grim Reapers Scythe ?
Will It Be Lucifer, Or Jesus who just died ?
The River May be Styx, Or Sylvan Beauty Pride ?

But George has no Answers That's only your Belief
And when you Find your Soul mate, your destiny will bring relief,
And now The final story, God removes all strife,
Jesus Is My Friend , my friends, And The Family is My Life !
