

B.B.B. (2 of 4)

All day I was left waiting, Eagle Star Offered ten Grand,
But High Court Jurisdiction Is 38 grand as I understand,
So Lacy And Associates, You were guilty of contempt by me !
Perhaps the Judge who never heard me , should now question thee ?

So on that day I Did not Settle but should the Buzzards care
There were plenty of other victims, Settle with No PREPARE!
Sure why would The Buzzards, spend all day on a single case,
When by getting you to Settle, no Judge do they have to face

They get their 2,500 fee that day well almost just for free
Then they repeat the procedure many times again you see
Yes they screw all damaged Irishmen, They will never get the blame!
Does not matter if you have no legs, to them it s just a Game!

Then I had day two in Court, now twenty grand was Proposed
Lacy and Associates once again, Prostituting themselves I suppose
Sure again I was left to my own devices ,and Morton No Good Advice
The plot is now unfolding My Alter EGO hearing strange Voice

What is this game all about, I heard my best friend ask?
But I was Truly well aware of The Buzzards and their task
The Honest answer is quite simple, They have no Interest in you,
All the Buzzards want to do, is Screw and Screw You!

So how does The Barrister Buzzard, achieve his own role?
By getting you to Settle as always selling again his soul !
You see if you just settle and nine other injured men!
His two and a half grand Becomes twenty five grand again !
