

Democracy

Government by the people for the people or so they say,
But what is happening in Ireland on a Cold October day ?
Bertie rules with arrogance and with cold contempt,
And from the Judicial System, He has proved Exempt !

Mary Harney constituted an aberration called the HSE,
Why , to say the fault for incompetence does not stop with me !
Go BUPA or VHI or with money Buy... and avoid the queue,
Go Public, and there is a good chance they will trolley you.

But all roads lead to Heaven, but you cannot Insure,
Against a life while lived for greed was purely so Impure,
I hope that when they're dying, They meet the Man that I trust,
Or otherwise for them , it is just Dust to Dust To Dust !

And when you lie lonely in a grave of your own Choice,
And For you no Earthly reason in Heaven to Rejoice
Because you had your Season, But Christ-Mass passed you by
And you are oh ! so bitter, as you coldly lie !

Why issue a true warning ? or sow some worldly seed,
Because its always possible to end acts of greed,
And unlike John Lennon, Imagine, a world so full of Love,
That Heaven and Earth will meet The Man from Up Above !
