

Finn & Fang

When Social Welfare became a soul-less Bureaucratic gang
They re-leased the Infamous Vitriolic Bulldog Finn & Fang,
Before the first of May 2001, Yes that s when the War began !
Prior to that fateful day , balance within Yin and Yang

But now the Zealous Finn is fighting, trying to put right !
The forgotten, the homeless, the Dublin dole man who cannot fight !
The bureau-C-rats who do not give a Jesus Samaritan care,
For those with whom they should daily love and gladly share !

Yes the privilege to help and be a human who dares to care,
But no, they are bored at the window once more they blindly stare !
At a “ thing “ for which they have no loving Thoreau respect ,
Their only role , to be once more A bureau-C-rat suspect !

Once again George Noel, what could you possibly mean ?
Are you saying they just like being Inhuman & happily Obscene !
Yes they, As I have heard, They are only doing their daily job.
But many a Homeless Henry died, you bureaucratic hearth less slob !

A scroll of parchment is unrolled, showing text. The scroll is tied with wooden pegs at the top and bottom. The parchment is yellowed and has some cracks. The text is centered and reads: *****
Never hide behind the Mission statement "you" have recited & said !
Because one day it will cause you eternal, fear and final dread,
Yes the " Life Replay " will tell you the values as bureau-C-rat you wear !
Add the " S " of Satan's serpent and then you will Finally SWEAR !
BEWARE !
