

# Mira Is Short For Miracle

Mira has loving parents , who were in love and loving too,  
And when they first met, the love it shone right through !

So her father asked her mother, will you marry me ?

And her mother said forever, yes I will love only thee.

So Mira's parents got married, worked and toiled all day,  
Till one romantic night ,pure love had it's loving way,  
Yes Mira was created, she was the result of a pure pure love,  
And now she is always guided, by Jesus from heaven above !

Because marvellous " Mira " is just short for A Mira-cle,  
And the miracle lets " Mira " be more than just able,  
To Be the lady who will believe, in her own true loving self,  
When she sees her real true beauty, from the mirror on the shelf !

So once more a " George" conclusion, a lesson he wants to relate,  
Always Love the true person, who sometimes we choose to hate,  
That person can be the one, who should be " The greatest love of all "  
And once again be God's Mira-cle , but You have to make the call !

A scroll of parchment is unrolled, showing a central message. The scroll is tied with wooden pegs at the top and bottom. The parchment is aged and yellowed, with some cracking along the edges. The background is a dark, textured blue.
